

Vinyl Semi-Privacy Fence

- Semi-Privacy fences are usually the strongest vinyl fences manufactured offering you the benefit of both privacy and picket utilizing some airflow.
- Choose from our traditional Imperial, Wide Imperial or Shadowbox Styles or be unique with more privacy with one of our Basket weave or Louvered Styles.
- Semi-Privacy is becoming more popular on commercial pools, especially in the gate areas.
- Mix picket or privacy with semi-privacy for a nice accent.
- Add bends at transitions of estate gate applications.
- Semi-Privacy is determined based on less than 1" picket spacing or any restricted view.
- Layout drawings may need to be provided for some of these styles.
- **Rails are centered unless pool code is specified.**
