Designer Products

Our Designer product line is an innovative metallic and ceramic powder coated injection molded product line to enhance your fence, deck, and handrails. The Designer product line includes solar lighted post caps, low voltage lighted post caps, post skirts, and a variety of post cap designs using accent colors with textured finishes. Designer products will not tarnish like stamped metal post caps.

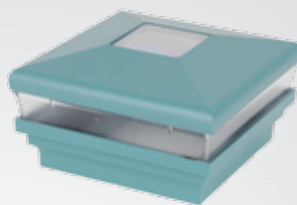

Visit our interactive site www.designerpostcaps.com for our full product line and to customize your products.
