

The STYLE of LIFE

Live more, work less with a carefree deck by Deck Lok™ systems.

Relax | Enjoy | Play | Admire

For summertime, and anytime, the living is easy with Deck Lok systems. Deck Lok systems take the effort out of maintaining your outdoor space. Unlike wood, Deck Lok systems are virtually maintenance-free. Masterfully constructed from durable vinyl, this unique decking system requires no staining, painting or sealing, and Deck Lok planks don't splinter or rot. Your deck can withstand the harshest elements and heavy use, looking just as good on day 1000 as on day one. So rather than spending time maintaining your deck, you and your family will be enjoying it.

Stays cool

Engineered formulations for superior UV performance.

Fade-resistant

Stain-resistant

Choose Deck Lok™ Decking Systems

Exceptional craftsmanship and superior-quality vinyl materials combined with practical features such as UV protection, concealed fasteners and a slip-resistant woodgrain surface give Deck Lok decking a clean, uniform look and long-lasting reliability. The hardest part about owning a Deck Lok system may be deciding what your dream deck looks like.

Colors

Available in 4 distinct colors to maximize design flexibility.

Grey

Stone

Tan

Clay

Embossed Patterns

Each deck board is embossed in two distinctive woodgrain patterns for a stylish, slip-resistant surface that adds just the right touch to your design.

Relax. Enjoy.

If home is where the heart is,
your yard is where the fun is.

Deck Lok systems provide the design flexibility to make any type of outdoor space a reality. Finished with two embossed patterns and available in four colors, it's easy to create the style perfectly suited to your tastes.

Quality That Lasts

Deck Lok systems undergo rigorous testing to ensure durability, structural integrity and quality you can count on. Products are assessed for weathering and structural performance as well as building code compliance and lasting aesthetic appeal.

LIMITED LIFETIME WARRANTY

Westech stands behind its products with a Limited Lifetime Transferable Product Warranty. Deck Lok systems are warranted against manufacturing defects for your lifetime, providing extra confidence in your decision to choose a Westech product.
