

Bufftech®

Molded and Extruded Fence Products

Quick Reference Guide

CertainTeed
SAINT-GOBAIN

The Bufftech® Advantage

Two innovative product lines under one great brand

Long-lasting beauty, superior performance and the best protection you can get – that's the Bufftech Advantage.

Molded Fence

Bufftech has reinvented fence manufacturing with its patented design of rotationally-molded fence, allowing realistic granite-stone and deep-grain wood textures molded from real wood and stone. Molded fence has very high impact-resistance and excellent sound absorption for quiet and secure outdoor living spaces and yards. These extremely durable privacy fences also offer fade-resistant colors and steel-reinforced sections.

Bufftech fence comes in an array of sophisticated styles, complementary colors and authentic TrueTexture™ finishes along with premium features to ensure it will outlast and outperform the competition. Bufftech also features a superior warranty including ColorLast® fade protection.

Extruded Fence

Bufftech extruded fence is the undisputed leader in style, color and texture. Our innovative textures are molded from real wood to deliver the most authentic look available today. Fade-resistant colors, high-quality accessories, durable hardware and steel reinforced rails ensure a long-lasting installation. Extruded fence also offers SureStart™ protection, an exclusive CertainTeed benefit covering warranted repair and replacement costs, including labor, for five years after installation.

Bufftech® Molded

Color & Texture

Bufftech fence products set the standard for the latest innovations in decorative privacy. From our proprietary manufacturing process to our vibrant colors, CertainTeed is the undisputed leader in color and texture. Our TrueTexture™ finish is molded from real wood and stone to deliver the most authentic look available today. Plus, Bufftech is virtually maintenance-free, and never needs staining or painting.

Allegheny™

Sherwood™

Performance

Bufftech's molded fence is made with a proprietary blend of polyethylene plastic and is reinforced with galvanized steel.

With exclusive WindZone™ performance, Bufftech fence is engineered for use in high wind and hurricane conditions, as approved by Miami-Dade County NOA #19-0820.02*. Recognized as the most stringent standards in the country, Miami-Dade test protocols include dynamic wind load testing up to 115 mph.

Fence

Peace of Mind

CertainTeed stands behind the Bufftech molded fence line with an exceptional lifetime limited warranty.

Bufftech Sherwood and Allegheny have CertainTeed's ColorLast® fade protection. UV inhibitors protect against the sun's harsh rays to maintain vibrant colors. Our polymers have been tested to withstand extreme weather conditions with little or no fading.

Graffiti resistance makes removing graffiti easy by using a high-powered pressure washer.

CertainTeed is actively pursuing strategies to reduce our environmental impact, while increasing the sustainability of our operations and products. CertainTeed conducted a Life Cycle Assessment (LCA) that was submitted to the National Institute of Standards and Technology (NIST) and was published in the building product LCA database, BEES (Building for Environmental and Economic Sustainability).

A company you can trust. For more than 100 years, homeowners and building professionals alike have relied on CertainTeed as a trusted source of innovative, high-quality building products. Bufftech® continues this long-standing tradition with its superior fence line, proudly made in the U.S.A.

The Bufftech line meets requirements of the ASTM and includes styles that comply with local codes for swimming pool applications. Check with your local building code official as local codes may vary.

Allegheny panels block 98% of direct sound, with an (STC) sound transmission class of 26, to create quiet spaces.

*Miami-Dade County-approved NOA #19-0820.02, for exceptional performance in high wind conditions. To comply with WindZone Performance, additional items are needed for installation. Please reference our product catalog. Expires 4/4/2023.

Peace of Mind

CertainTeed stands behind the Bufftech line with an exceptional lifetime limited transferable warranty. SureStart™ protection, an exclusive CertainTeed benefit, covers warranted repair and replacement costs--including labor, for five years after installation.

CertainTeed also guarantees the performance of Bufftech's darker colors and stain blends with our proprietary ColorLast® fade protection, a state-of-the-art acrylic formulation that provides superior protection from the harsh rays of the sun.

CertainTeed is actively pursuing strategies to reduce our environmental impact, while increasing the sustainability of our operations and products. CertainTeed conducted a Life Cycle Assessment (LCA) that was submitted to the National Institute of Standards and Technology (NIST) and was published in the building product LCA database, BEES (Building for Environmental and Economic Sustainability).
